

BECOME A M.A.R.C. MEMBER

Originally constructed as a church in 1925, the Moab Arts and Recreation Center (MARC) was created by the City of Moab in 1997. The MARC's mission is to expand artistic opportunities for the Moab community by offering arts, education, cultural, and recreation programs and events for children and adults.

Your membership to the MARC directly contributes to the creation of arts, education, cultural, and recreation programming and to the maintenance of this historic building. In addition, a healthy membership base signals to our elected representatives that Moab supports the arts, Moab supports the MARC!

Individual memberships are \$25 a year and family memberships are \$50 a year. Membership includes: 10% off all MARC sponsored classes, and 10% off space rentals for classes and events, as well as access to "MARC Member Only" events!

Any additional donation you would like to contribute will go directly to the MARC Scholarship fund. This fund is used to augment the cost of a class or workshop for a member of the Moab community who may not be able to cover the full cost of a class, but is very interested in the opportunity.
