

CITY OF MOAB ORDINANCE #2019-26

**AN ORDINANCE RENAMING RIMROCK ROAD TO A NEW
NAME OF "AGGIE BOULEVARD"**

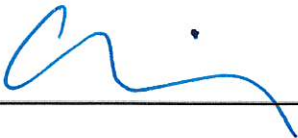

The following describes the intent and purpose of this ordinance.

- a. The City designated the road accessing the future Utah State University (USU) campus and adjacent parcels as "Rimrock Road" pursuant to the plat recorded at Reception No. 531656, Dated October 12, 2018, Book 874, Page 532 of the Grand County land records (the Plat), attached as Exhibit 1.
- b. The City and other stakeholders have worked for many years with representatives of USU to develop a higher education campus to serve the Moab community.
- c. Moab Municipal Code Section 12.04.040 authorizes the City to designate or change the official names of public streets within the City.
- d. In recognition of the fact that Utah State University will be constructing a satellite campus in Moab that will be accessed by the current Rimrock Road, the City finds that it is appropriate to designate the road with a name that reflects a connection to USU.

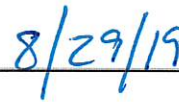

THEREFORE, the former Rimrock Road is hereby renamed "Aggie Boulevard." The Plat is hereby amended to reflect the new name. All City street records shall be modified accordingly and addresses shall utilize that name. Nothing in this ordinance shall be construed to alter the dimensions or other attributes of the right-of-way described in the Plat. This Ordinance shall be recorded in the Grand County land records.

PASSED AND APPROVED by a majority of the City of Moab City Council. This ordinance shall take effect immediately upon passage.
